Dear Occupier

A217 St Dunstan's Hill / Oldfields Road / Reigate Avenue: lighting replacement planned from 24 July 2017

We are planning to replace the lighting on the A217 St Dunstan's Hill / Oldfields Road / Reigate Avenue between the junctions with the A232 Cheam Road and Rose Hill Roundabout.

How our works may affect you

Our works will take place from 10:00 until 16:00 and from 20:00 each night until 05:00 the following morning on Mondays to Fridays between 24 July and 22 December. We may have to carry out some additional work on weekends as and when required.

We have agreed this with the London Borough of Sutton and will complete our noisiest works by midnight.

During this time we will need to close some lanes to traffic in both directions on the A217 St Dunstan's Hill / Oldfields Road / Reigate Avenue and on Rose Hill Roundabout, so please allow extra time for your journey.

We will make every effort to finish the works on time, although poor weather conditions may mean we need to reschedule at short notice.

Buses

Buses will be running normally although roads may be busy so please allow extra time for your journey.

Visit tfl.gov.uk/bus/status or follow [@TfLBusAlerts](https://twitter.com/TfLBusAlerts) on Twitter for live updates.

Pedestrians

We will keep footways and pedestrian crossings open wherever possible and clearly signpost any temporary closures. You will still be able to access your property.
